Item names are the in-game (English) names. Theoretical DPS = damage × fire rate ÷ 60, without crit or effects: a comparison hint, not an in-game value. « summary » marks text reconstructed from guides rather than the exact in-game text.

0. Recommended builds

Three PvE builds. The first is the most destructive; the second is for status-immune bosses (Forsaken Giant); the third is a support tank that lets teammates deal the damage. Both are preloaded in the planner's « My build » tab and in the Excel Build sheet.

Burn — KVD Boom! Boom! (recommended)

Slot	Item	Stats	Mod	Effect
Primary weapon	KVD - Boom! Boom!	168 dmg · 500 rpm · 100 rounds	Burning Wrath <Deviant Energy>	Each hit has a chance (~18%) to set the target on fire (Burn). Defeating a burning enemy makes it explode and spreads Burn to nearby targets. Excellent against groups and bosses.
Secondary weapon	Recurve Crossbow	1072 dmg · 125 rpm ·	Vulnerability Amplifier <Precision>	Hitting a Weakspot applies The Bull's Eye: all weapons gain Crit Rate +15% against the marked target for 10s (once per target every 15s). Considered the best secondary weapon for most builds.
Helmet	Shelterer Hat	60 HP · Shelterer	Deviation Expert <Deviant Energy>	
Mask	Shelterer Mask	30 HP · Shelterer	Blaze Amplifier <Deviant Energy>	
Top	Shelterer Top	156 HP · Shelterer	Resist Advantage <Survival>	
Gloves	BBQ Gloves	81 HP · Key Armor	Elemental Overload <Deviant Energy>	Burn damage frequency increases with the number of stacks, up to 100%
Bottoms	Shelterer Pants	144 HP · Shelterer	Status Amplification <Deviant Energy>	
Shoes	Heavy Duty Shoes	108 HP · Heavy Duty	Steady Hand <Deviant Energy>	
Deviation	Pyro Dino	—		Designated Target + Autonomous Attack: attacks enemies, increases Blaze DMG received by 24.5%. Attacking a target affected by Burn causes an Explosion.

Mods: one per slot, <Deviant Energy> variant (Psi Intensity) everywhere except the top <Survival>. Weapon alternatives: Flame Resonance (+2 max stacks) or Embers. Overrides: Automatic Weapon Enhancement, LMG Reload Boost, Heat Agglutination, Blazing Detonation, Prairie Fire Inferno, Sustained Suppression, Elemental Sense. Calibration: Status DMG / Psi Intensity then crit. Pyro Dino triggers explosions on burning targets and does most of the boss damage. Glove alternative: Hardy Gloves (300% Psi explosion at max stacks). Budget ≈ 16,500 Starchrom.

Shrapnel — SOCR The Last Valor (status-immune bosses)

Slot	Item	Stats	Mod	Effect
Primary weapon	SOCR - The Last Valor	174 dmg · 515 rpm · 30 rounds	Shatter Them All <Precision>	Hitting 4 times triggers Shrapnel (a Crit hit counts as 2 hits). After a Crit hit, Shrapnel triggers 1 additional time for 1s. Shrapnel Crit DMG +30%. Shrapnel: on hit, deals Weapon DMG equal to 60% of Attack to another random body part of the enemy (same element as the weapon, can Crit and hit Weakspots, decays with distance).
Secondary weapon	Recurve Crossbow	1072 dmg · 125 rpm ·	Vulnerability Amplifier <Precision>	Hitting a Weakspot applies The Bull's Eye: all weapons gain Crit Rate +15% against the marked target for 10s (once per target every 15s). Considered the best secondary weapon for most builds.
Helmet	Cage Helmet	60 HP · Key Armor	First-Move Advantage <Precision>	Shrapnel Trigger Count +1
Mask	Lonewolf Mask	30 HP · Lonewolf	Shrapnel Carnage <Precision>	
Top	Lonewolf Jacket	156 HP · Lonewolf	Resist Advantage <Survival>	
Gloves	Lonewolf Gloves	90 HP · Lonewolf	Crit Amplifier <Precision>	
Bottoms	Lonewolf Pants	144 HP · Lonewolf	Deadshot <Precision>	
Shoes	Lonewolf Shoes	120 HP · Lonewolf	Steady Hand <Precision>	
Deviation	Lonewolf's Whisper		—	Designated Target + Auto Attack: attacks enemies and attracts their aggro; spawns a clone when a target dies. Increases Weapon DMG received by the attacked target by 21.6% (Lunar version: +5% Weapon DMG, +10% at low Sanity).

Mods: <Precision> variant (Weakspot DMG) everywhere except the top <Survival>. Mask alternative: Explosive Shrapnel (20th Shrapnel explodes, +300%). Overrides: Rifle Amplify, Precise Shot, Automatic Weapon Enhancement. Lonewolf 5 pieces = universal crit; Cage Helmet = Shrapnel Trigger Count +1. Lonewolf's Whisper draws aggro and increases Weapon DMG taken by the target (+21.6%). Universal build #2, reuses the Recurve Crossbow.

Tank — DB12 Raining Cash + Savior (support)

Slot	Item	Stats	Mod	Effect
Primary weapon	DB12 - Raining Cash	212 dmg · 105 rpm · 12 rounds	Durable Territory <Survival>	Reloading triggers Fortress Warfare (2m zone; allies inside gain heavy armor: Weapon DMG +20%; cooldown 10s). The longer the zone is held, the higher the Attack (max +40%). Inside the zone: Crit Rate +30% and DMG Reduction +30%.
Secondary weapon	Recurve Crossbow	1072 dmg · 125 rpm ·	Recover Mark <Survival>	Hitting a Weakspot applies The Bull's Eye: all weapons gain Crit Rate +15% against the marked target for 10s (once per target every 15s). Considered the best secondary weapon for most builds.
Helmet	Savior Helmet	60 HP · Savior	Overflow <Survival>	
Mask	Savior Mask	30 HP · Savior	Light Cannon <Survival>	
Top	Savior Top	156 HP · Savior	Ardent Shield <Survival>	
Gloves	Stormweaver Gloves	90 HP · Stormweaver	Lifeforce Boost <Survival>	
Bottoms	Savior Pants	144 HP · Savior	Reload Rampage <Survival>	
Shoes	Leather Boots	108 HP · Key Armor	Ruthless Reaper <Survival>	Recover 2.5% HP per second while in Fortress Warfare. Effect doubles when HP is below 50%
Deviation	Festering Gel		—	Flawless Fortification: knocks back enemies and forms a shelter. Build Fortification: fixed shelter that blocks attacks; allies nearby recover 6% HP and 3% Sanity per second.

Mods: <Survival> variant (HP) everywhere. Fortress Warfare (DB12 reload): DMG Reduction +30% and Weapon DMG +20% for allies inside the zone; Leather Boots regenerates 2.5% HP/s inside (5%/s below 50% HP). Savior 3 pieces = permanent 6% HP shield on every hit, 4 pieces = auto-heal below 30%. Ardent Shield = -15% damage while shielded. Festering Gel builds a shelter healing allies 6% HP/s and 3% Sanity/s (alternative: Dr. Teddy to revive). Overrides: Shield Protection, Resilience (shield takes 30% less), Deviant Energy Defense, Dexterity, Rapid Aid, Deadly Combo. Skin: Hide (Max HP) or Mountain Cowhide (Crit DMG reduction). Budget ≈ 8,000 (DB12) + 4 × 2,000 (Savior) + Leather Boots.

Sniper Bounce — HAMR Brahminy (your build)

Slot	Item	Stats	Mod	Effect
Primary weapon	HAMR - Brahminy	840 dmg · 85 rpm · 8 rounds	Multi-Bounce <Precision>	80% chance to trigger Bounce on a Weakspot hit (the bullet ricochets to a random enemy within 10m dealing 60% of Attack as Weapon DMG). If Bounce hits a Weakspot, 35% chance to ricochet again. If Bounce does not kill or has no target, the next bullet deals Weapon DMG +20% (max 5 stacks). Bounce prioritizes enemies with the most HP.
Secondary weapon	Recurve Crossbow	1072 dmg · 125 rpm ·	Vulnerability Amplifier <Precision>	Hitting a Weakspot applies The Bull's Eye: all weapons gain Crit Rate +15% against the marked target for 10s (once per target every 15s). Considered the best secondary weapon for most builds.
Helmet	Bastille Helmet	60 HP · Bastille	Momentum Up <Precision>	
Mask	Renegade Mask	30 HP · Renegade	Break Bounce <Precision>	
Top	Renegade Jacket	156 HP · Renegade	Resist Advantage <Survival>	
Gloves	Renegade Gloves	90 HP · Renegade	Weapon Amplifier <Precision>	
Bottoms	Sharp Blade Pants	144 HP · Key Armor	Reload Rampage <Precision>	Bounce Trigger Count +1
Shoes	Bastille Boots	120 HP · Bastille	Covered Advance <Precision>	
Deviation	Mini Feaster		—	Touch of the Abyss: follows the player, summons tentacles near enemies to smash. When a target triggers Bounce, tentacles are guaranteed next to it and enhance the player's Weapon DMG.

1. Legendary weapons

KAM - Abyss Glance — Assault Rifle · **Legendary**

Damage 150	Fire rate 600 rpm	Theoretical DPS 1500	Magazine 40	Crit rate 6%	Crit DMG 30%
Weakspot 55%	Eff. range 27m	Reload 3.1s	Mobility 51	ADS 0.23s	Ammo Rifle Ammo

Effect — Frost Vortex : When a weapon hits, trigger Frost Vortex with a 7s cooldown (Vortex triggered on Metas deals 30% damage). Each weapon hit reduces the cooldown by 0.5s. Hitting non-Metas inside the Frost Vortex increases its final damage by +5%, up to 10 stacks. Frost Elemental DMG +30%, Frost Vortex damage frequency +100%. Frost Vortex: 4.5m area that traps and slows, 50% Psi Intensity Status DMG per 0.5s for 4s (1 vortex at a time; cannot Crit).
